

## Litigation

**O**ur team has experience in many significant cases, as well as out-of-court settlements and negotiations in many areas.

### These include:

- Litigation related to contracts (breach of contract, tort, damages claims, liability, professional misconduct and negligence).
- Debt-collection.
- Property and construction litigation.
- Litigation related to hiring/contacting professional services.
- Claims and assistance in all banking, mortgage lending and leasing matters.
- Legal action related to property, ownership, construction law, liability for defects or encumbrance and tenancy agreements.
- Advice on purchase and sale agreements, distribution, agency and franchise.
- Claims relating to Industrial installations, machinery and products.
- Economic and financial offences; defense and prosecution of white collar crime (company crime, fraud, misappropriation).
- Litigation enforced at home and abroad.
- Legal representation in judicial proceedings.
- Bankruptcy and other insolvency procedures.
